100% of the profits from the sale of this book will be donated to the World Health Organization's Global Polio Eradication Initiative.

The World Health Organization is leading the Global Polio Eradication Initiative, which aims to end polio worldwide by 2018.

Polio is a highly infectious disease that can cause paralysis and death. It has been eliminated from most countries, but it still exists in a few.

Help us reach our goal of ending polio forever. Your donation will help support the Global Polio Eradication Initiative.
